

## TASK 1. Becoming acquainted with the group and their interests

### Step 1. ( 15 min)

Discuss in pairs:

In the context of identifying and assessing prior learning as a part of competence-based qualifications what is from your own work point of view

- Interesting
- Challenging
- Topical

Introduce yourself and your work as well.

### Step 2. (15 min)

Discuss in groups of 4 persons:

Sum up the main ideas from the pair discussion.

Remember to introduce yourself to the new group members.

### Step 3. (15 min)

The groups share the main points of their discussions with rest of the group.
