

Task 6

Working on the intermediate assignment

The participants discuss and define how they approach the assignment.

Define in your group:

1. What experience and knowledge you already have in order to work on the above mentioned tasks?
2. What kind of additional information you need in order to formulate a view required in the task?
3. How do you acquire the information and where from?
4. How do you work on the task by September?
5. What are you going to do?
6. When are you going to do it?
7. How are you going to it?
8. Who is going to do it?
